Primary Accountability:

General labor employees are involved in all construction and maintenance of landscape projects for Naturescape Lawn and Landscape, LLC. General labor employees will report to the foreman and work under their supervision.

Major Duties:

- Ensures all work is performed in accordance with industry and company standards.
- Installs projects which include hardscapes, irrigation, plant material, and maintenance.
- Maintains a clean and safe job site at all times.
- Completes various repairs and troubleshooting throughout the year.

Qualifications:

- A High School diploma or GED is required.
- A valid driver's license
- Ability to use basic landscape tools, equipment, machinery, trailers and other landscape equipment.
- Ability to organize, multi-task, plan and set priorities with minimal supervision.
- Ability to work independently and in team settings.
- Ability to exercise good judgment with a strong attention to detail.

Physical Demands:

- Stand and walk for extended periods of time.
- Ability to frequently move supplies and occasionally lift weight consisting of up to 80 pounds.

Work Environment:

- Ability to work outdoors in all weather and temperature extremes.
- Exposed to moving mechanical parts.

Additional Duties:

Additional duties and responsibilities may be added to this job description at any time. The job description does not state or imply that these are the only activities to be performed by the employee holding this position. Employees are required to follow any other job-related instructions and to perform any other job-related responsibilities as requested by their supervisor.
